To Whom It May Concern:

My name is Phillip Bayliss, my wife Marilyn and I are the owners of Royal LePage Home Central.

Our office has the opportunity to deal with a varied group of home buyers, not only from within B.C., but indeed from other provinces across Canada. Many of these buyers are quite surprised to find out that we do not have a community pool.

Vanderhoof has many attractive qualities and features. I firmly believe that the addition of a pool/recreation centre would be a terrific asset to our community. Furthermore it would be an excellent facility that I am sure would be instrumental in attracting future residents to our community.

Yours truly,
ROYAL LePAGE HOME CENTRAL
